Need Based Scholarship Application for Pack 16

Pack 16 is 100% self funded. We do not receive any money from our charter organization (IHM Church) or Old North State Council. All of our funds come from dues and our popcorn sale. We also earn a small amount of money from our participation in IHM's Fall Festival and our used uniform sale.

Pack 16's Committee firmly believes that all participating scouts and their families be fully invested in our pack, therefore we do not provide 100% scholarships. The minimum dues for a scout who receives a Pack Scholarship are \$35/year, which covers the cost of council registration and Boy's Life magazine. Additionally, we require that any family receiving a scholarship commit 2 hours of volunteer time (by the scout and their parent) at our Popcorn Show and Sell in the fall, as well as **3 hours of volunteer time at pack events**. Participation at camp outs and den events does not count towards this requirement. Failure to complete the volunteer time requirements will disqualify you from future assistance from the pack.

In addition to participation in the pop corn sale to the best of their ability, all scouts are also highly encouraged to sell camp cards to help fund their campout fees (pack, summer and Webelos resident camps). Camp card sales can also be applied to other pack events with nominal fees if not used for campouts. The camp card sale does not raise any money for pack 16, 50% of funds raised go back to Old North State Council.

Old North State Council DOES offer scholarships to help pay for summer camps. These are called Camperships. This form is available on our Pack 16 website and the council's website. All families who are in need of financial assistance to send their child to camp are highly encouraged to fill out this application. Many funds go unclaimed so please apply. Every bit helps and the council is more than happy to help if there is a need, no matter how small that need may be. The pack will not grant any scholarships to help with summer day or Webelos resident camp if the scout has not first applied for the ONS council campership. The Pack will consider additional financial assistance for camperships, however families will be responsible for at least \$15 for summer day camp and \$40 for Webelos Resident camp if the council has not provided full coverage for your campership.
